OPINION

Plaintiff filed his third-amended complaint in this lawsuit asserting state-law claims stemming from his 2016 purchase of a vehicle. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that defendant Warranty Support Services's motion to dismiss for lack of subject-matter jurisdiction be granted. Also before the court are plaintiff's objections to the recommendation. After an independent and de novo review of the record, the court concludes that plaintiff's objections should be overruled and the magistrate judge's recommendation

adopted.

An appropriate judgment will be entered.

DONE, this the 22nd day of June, 2018.

UNITED STATES DISTRICT JUDGE
